

*Statement of Mission and Purpose
Alumni Association, School of Medicine
of Loma Linda University*

The Alumni Association, School of Medicine of Loma Linda University is a nonprofit organization composed of both alumni and affiliate members, organized to support the School, to promote excellence in world-wide health care, and to serve its members in the following ways:

Educational

To encourage continuing education among its members by organizing and offering graduate education and related programs at the Annual Postgraduate Convention and at other health care seminars.

Communication

To publish newsworthy factual information about alumni and developments at the School of Medicine in the Alumni Journal, the Annual Directory, and in the journals of organizations under the umbrella of the Association.

Health Care

To foster improved health care and preventive medicine throughout the world by conducting postgraduate seminars, demonstrations, and people-to-people health care interactions with Christian concern and compassion.

Philanthropy

To encourage the contribution of funds for the support of undergraduate and graduate education at the School, including funds for Student Loans, Research, Professorial Chair endowments, and to provide for improvements in its physical plant. To encourage donations of money, equipment and supplies for educational centers and health care facilities in areas of need worldwide.

Medical Research

To support medical research among the faculty and students of the School, thereby enhancing its ability to respond to the needs of its alumni and contribute to the advancement of medical knowledge.

Fraternal

To promote and implement gatherings in an atmosphere of Christian and professional friendship to foster unity and advance the above objectives.
